Programs will be cancelled one week prior to the scheduled start date when the minimum registration numbers are not met. Being a past participant in a class does not guarantee you a spot in a future session, so please always register in advance to avoid disappointment.

To avoid program cancellation, please sign up well in advance of the program scheduled start date. All programs are non-transferable. If you miss a week of your regular class, you are not permitted to drop in to another of the same program on a different day, due to space limitations and room designations.
